HOW TO GET YOUR CARD

Bingo cards are free and available in three ways:

1. Pick one up at any participating business — they'll have a supply on hand to give out for free.
2. Print the card directly right here: [\[link to pdf file\]](#)
3. Look for the card in the Spring 2026 issue of the Wallingford/Fremont Seattle Saver magazine.

HOW TO EARN STAMPS

Each square on the Bingo card represents one of the 25 participating Wallingford businesses.

To earn a stamp at any business, you can either make a purchase or complete an activity:

1. **Make a purchase** — any purchase counts toward a stamp.
2. **Complete an activity** — a business might instead invite players to complete an activity in order to earn a stamp. Simply inquire at the business!

One card per person at a time, please.

WHAT'S A BINGO?

Each card lets you earn up to three prizes total: two 5-square prizes and one full-card prize.

5-square Bingo x 2

Fill all five spaces in any complete row — horizontal, vertical, or diagonal — and you've got a Bingo! Redeem one prize from the business of your choice in that stamped row.

Redeem up to two of these per card.

Full-card Bingo x 1

Fill every one of the 25 squares and you've completed a full-card Bingo! Redeem one prize from any business on the card.
